FIXTURES

- Scroll down the page to table titled 'Participating In'
- Using the page numbers under the table scroll through and find your team
- Click the "view icon"
- Scroll down the page to table titled 'League Fixtures'
- Use these fixtures to generate your team roster

Roster

- ✓ The manager of each team needs to circulate a simple roster so players know when and where their commitments are for the entire season.
- ✓ Prior to doing roster, check the availability of players and try to schedule around players commitments where possible.
- ✓ Please use the example below as a template. You are welcome to develop something more detailed (if you do, please email to james@tennisexcellence.com.au so we can show off your good work).
- ✓ In the event a player cannot play a scheduled match the manager may choose to switch in a player that is scheduled to rest. This must be done with both manager and player approval.
- ✓ If a player is unable to play a scheduled match and a switch cannot be made with a resting player, the player scheduled to play forgoes that particular match.
- ✓ In the event the team does not have four (4) available players for a particular match a reserve player must be found. Contact must be made with other team managers (per teams list) to request a reserve player. This substitute player must have CTR the equivalent or weaker than the player being replaced. Contact james@tennisexcellence.com.au to retrieve Team Manager details.
- ✓ A match day manager should be nominated for each away fixture. This does not need to be the team manager. The match day manager is responsible for team transport (where required) and the match procedures. All venues have an allocated supervisor.

Junior Pennants

Rules / Suggestions

- ✓ Scorecard Procedure
Scorecards will be emailed to all team managers before each match (usually Fridays).

- ✓ Ball Procedure
Balls will be available at the Captains Box on arrival for home matches.

- ✓ Court Allocations
Nominated courts will be displayed on chalk board at clubhouse entrance on match day.

- ✓ CTR Order
Teams must always play in CTR order. Each player has a CTR. The lower the CTR the stronger the rating. If two (2) players have the same CTR they can choose who plays higher in the order.
Players without CTR's can play in any position and after their initial match will be allocated one by Tennis West.
CTR's are listed on the bottom of the scorecard.
Contact James for CTR's for non-listed players.

- ✓ Additional Players
When an 'un-nominated' player plays their initial match the player must be registered as a substitute. After being registered this player will be treated as a full-time player and does not require to be nominated again for the team.
All players listed on the team list are to be treated as a full-time, permanent member of the team, regardless of whether they were nominated or not. Each player must receive equal playing opportunities.

Junior Pennants

✓ Heat / Rain

If heat or rain impact a match the match can be called off at any time conditional on both teams agreeing. A match is abandoned if there is one (1) hour of no play.

Teams must arrive at their venue unless told otherwise, regardless of the forecast.

✓ 5th Player Rule

A 5th player is permitted to play doubles only in the place of any one of the singles players. The 5th player must be nominated prior to the singles matches commencing. It is a good idea for managers to consider using this rule to evenly distribute playing opportunities amongst all players. Please consider that players will not enjoy coming to participate in only a doubles match so this should be used sparingly.

✓ Finals Selection

A touchy subject! Finals team selection should be addressed at the start of the season so everyone knows where they stand. The BGPTC policy is to give all team members equal playing opportunity across the finals series (if we're lucky enough to get there). The Club encourages the use of the 5th player rule for even opportunity. Last Summer Tennis West allowed 6 players to play in each finals fixture. If this is allowed again information will be forwarded to all Managers. Tennis Excellence staff are happy to assist with selections if required.

✓ Lunch

It is common practise for teams to eat together in the clubhouse after a match. The clubhouse facilities are available for all players and parents so please encourage all players to bring a simple plate of food to home matches to be shared with teammates and opposition players. Please clean up clubrooms on completion.

✓ Clubrooms

As the BGPTC is shared by all members, please return all chairs to the Clubhouse at the completion of play and ensure the clubrooms are left neat and tidy.

ROSTER (Example Only)

Players

1. Bart Simpson 0408 111 222
2. Homer Simpson (capt) 0408 111 222
3. Marge Simpson 0408 111 222
4. Lisa Simpson 0408 111 222
5. Maggie Simpson 0408 111 222
6. Ned Flanders 0408 111 222

Manager: Principle Skinner 0408 111 222

<u>Playing Dates</u>	<u>Venue</u>	<u>Rostered Off</u>	<u>Manager</u>
